FEATURED PRODUCT

This is the column where we feature tried and true products that we have carried for years that provide a great solution.

If there is one thing that is a certainty with kids is that they are going to get scraps, scratches, bruises and more.

And it's terrific when you can have one product on hand that can handle the

majority of kid's boo-boos. Topricin® Junior Children's Pain Relief and Healing Cream is specially formulated for kids. It's pediatrician recommended and is paraben free. This patent pending formula treats pain in kid's associated with a wide range of common children's injuries. It is perfect for muscle sprains and strains, eczema, back, heel and knee pain, and overall growing pains and it's formulated for easy absorption, Topricin® Junior is also a multi-purpose healing cream for all the everyday bruising, scrapes, scratches, minor burns and insect bites that children are prone to. Shouldn't you have one or more tubes around the house? You bet! Come in and get some today.

We Have the Solution!

Over the years we have realized that our job here at SGMC is providing you with SOLUTIONS to problems that you are presented with day in and day out. For instance your watch stops working (problem) and you need a battery. SGMC has the battery you need and can install it, thus we are providing a quick and simple solution.

To drive this problem and solution idea home here are just some of the solutions that we can provide.

How, you say? The answer is that we have a wide variety of great unique gifts for Mom for Mother's Day and everyday. And if you can't just pick one or don't know which one to pick consider an SGMC Gift card in the amount of your choice so that Mom can pick exactly what she wants. She can use the gift card toward Custom Picture Framing too!

If It's Spring, It's Time For Poison Ivy

If Spring is not your favorite time of the year because of poison ivy we have some really good news for you. There are natural things

that you can do so you either don't get poison at all or you don't get it as severely.

We have been selling Poison Ivy Pills for years. They can be used prophylactically to eliminate or reduce symptoms and can also be used if

symptoms appear to reduce duration. In addition to the pills we have the SafeCare Poison Ivy/Oak spray that works great too!

Jewelweed grows wild in close proximity to poison ivy throughout much of the United States. For centuries native American peoples have used Jewelweed (*Impatiens Capensis*) as a natural preventative and treatment for the itch and rashes of poison ivy, oak and sumac.

GRANDMA'S now brings this powerful natural remedy to you! Relieves the itch of poison almost immediately and heals the rash in 3-4 days!

If you know you've come into contact with poison, wash immediately using cool water and GRANDMA'S Poison Ivy & Oak Bar. (Cool water keeps pores closed thereby keeping the poison oils from entering through skin. If a rash has developed lather affected area with GRANDMA'S Poison Ivy & Oak Bar. Leave lather on to dry. Can be applied as often as necessary to control itch and heal the rash.
