Custom Framing

Custom framing involves all custom materials selected to enhance what is being framed and offers a way to professionally present your custom graphics either for presentations, awards or gifting to employees, clients and customers.

We offers thousands of combinations of frames, mats and glazing to meet your needs and budgets We provide only industry accepted acid-free frame package components and offer a unique hanging system which allows easy, straight hanging of your graphics.

We are the only place that we know of that can provide graphic services, signs, printing and custom framing in one place, which makes it easy to get everything that you need with consistent branding to continue to grow your business and brand.

Give SGMC a try for all the GRAPHICS you need!

In-House Design & Graphics

We are proud to offer you access to our in-house design and graphics expertise. We have been producing our own publications, business cards, signs, etc. before desktop publishing even existed, when we had to glue-up print content for our various publications. Our design expertise and execution spans decades.

We can design printed materials, business cards, logos, signs, banners, apparel, and much more providing proofs along the design process for your input and approval.

Let us be your partner in promoting you, your business or your organization.

Who are we?

We are a 45 year old family-owned business that offers a wide variety of products and services, as delineated herein, (and in our separate Product & Services Brochure) right here in the community, so that you can deal face-to-face with people you can trust.

We deliver quality products at a competitive price everyday and can provide on-time delivery in the case of time sensitive materials.

If you haven't given us a try yet, please do so when you need signs, printing
